Chapter 01 - Institutional Profile/Executive Summary

1.1. Introduction

Public finance management is related to the subject of managing government resources i.e. government revenue and expenditure in a manner that could have an immediate impact on the country's economy. As societal needs will inevitably be greater than the resources available to the government, all public resources shall be used as efficiently and effectively as possible with a minimum of economic loss and wastage. Efficient Public Financial Management is at a center for the economic development as it creates a relationship of mutual trust and shared consensus between government and citizens in the economic development process. Reforms in Public Financial Management systems, processes and institutions are required to maximize the efficient use of limited resources, with a greater level of transparency and accountability in government finances to secure long-term economic success while offering better services for the citizens of the country.

1.2. Vision, Mission, Objectives of the Institution

Vision

“Create a sound public finance regulatory framework to improve transparency, accountability and service delivery in the public sector”

Mission

“Formulate, develop, review, update and follow up the systems and procedures in the Public Financial Management in order to strengthen broader governance environment within which public sector operates supporting institutions for public accountability”

Objectives

- (i) Formulate, develop, review, update and follow up the policies, systems and procedures in Public Financial Management (i.e.- Financial Regulations, Government Procurement Procedures and Practices) to give maximum accountability and transparency.
- (ii) Promote public sector good governance and assist the Parliamentary Committee on Public Accounts (COPA) to ensure effective and efficient utilization of Public Funds.
- (iii) Review and monitor existing departmental fees and charges and explore the possibility of generating non-tax revenue in effective manner.
- (iv) Regularize review and monitor the funds set up under Ministries and Departments for different purposes to ensure effective and efficient utilization of public funds.

Chapter 02 – Progress and the Future Outlook

The Department of Public Finance plays a central role in relation to the financial control of the public sector and in the continuation of a sound public financial regulatory framework that improves the compliance of public sector institutions towards the provisions of financial control, and their transparency, stability, accountability and service delivery.

02. The Department of Public Finance, in the year 2021, has issued the Public Finance Circular No. 03/2020 (1) as an amendment to the Public Finance Circular 03/2020 dated 09.10.2020 coming under the policy on supporting domestic industries, and has also issued the Public Finance Circular No. 01/2021 prescribing the conditions in the Government Procurement Guidelines-2006 regarding the award of the direct contracts to community based organizations.
03. In 2021, the officials of the Department of Public Finance rendered their assistance with their participation to the meetings of the Parliamentary Committee on Public Accounts (COPA) which has been established in terms of the Article 74 of the Constitution and the Parliamentary Standing Order No 119. Follow-up actions have been taken in 2021, by delivering instructions to the Chief Accounting Officers and Accounting Officers of relevant Ministries, Departments and Institutions with regard to taking corrective measures over the shortcomings in public financial management in their institutions, based on the respective audit queries and audit reports issued by the Auditor General to the public institutions.
04. The Department has taken actions to issue appointment letters to the Chief Accounting Officers who should act as Chief Accounting Officers in terms of the F.R. 124, and to the Accounting Officers who should act as Accounting Officers in terms of the F.R. 125, and as per F.R. 125(2) to the Revenue Accounting Officers among the Counting Officers in the institutions with a Revenue Head.
05. In 2021, Treasury approval has been granted to the 82 requests made by the Ministries, Departments and other Public Institutions to write off under F.R. 108(3) and to grant waivers under F.R 113, subsequent to waiving-off as per Losses and Waive-Offs as specified in the Section 3, Chapter 2 of the Financial Regulations (1992)
06. In terms of the Foreign Missions Circular No. 2/92 of the Ministry of Foreign Affairs, the Department of Public Finance is responsible for the recovery of taxes due to the government on disposal of vehicles used by diplomatic missions and accordingly, an income of Rs. 54,699,992.00 has been credited to the government revenue from the disposal of 27 vehicles of diplomatic missions in the year 2021.
07. The Ministry of Finance is engaged in issuing observations of the Hon. Minister of Finance, with regard to the Cabinet Memoranda submitted by relevant Ministers to the Cabinet of Ministers under miscellaneous subjects. Accordingly, the Department of Public Finance issues observations and recommendations regarding the Cabinet Memoranda on the subjects of procurement, Government Funds, Financial

Regulations or Public Finance Management. In the year 2021, observations have been issued for 485 Cabinet Memoranda and recommendations were given for 267 Cabinet Memoranda.

08. With the objective of accelerating the public procurement procedure, the Department of Public Finance, in 2021, has appointed 38 Standing Cabinet Appointed Procurement Committees (SCAPC), 38 Cabinet Appointed Procurement Committees (CAPC), 47 Cabinet Appointed Negotiation Committees (CANC), 02 Standing Cabinet Appointed Negotiation Committees (SCANC), 42 Cabinet Appointed Consultants Procurement Committees (CACPC), 235 Project Committees (PC) and Technical Evaluation Committees (TEC) and 02 Special Committees.
09. In coming years, the Department of Public Finance intends to be committed to the timely and pertinent update of provisions regarding the Public Finance Management while regularizing the functions related to Public Financial Management in accordance with the government policy decisions and, providing guidance to the Public Finance Management.

3.5 Notes to the Financial Statements

Basis of Reporting

1) Reporting Period

The reporting period for these Financial Statements is from 01st January to 31st December 2021.

2) Basis of Measurement

The Financial Statements have been prepared on historical cost modified by the revaluation of certain assets and accounted on a modified cash basis, unless otherwise specified.

The figures of the Financial Statements are presented in Sri Lankan rupees rounded to the nearest rupee.

3) Recognition of Revenue

Exchange and non exchange revenues are recognised on the cash receipts during the accounting period irrespective of relevant revenue period.

4) Recognition and Measurement of Property, Plant and Equipment (PP&E)

An item of Property, Plant and Equipment is recognized when it is probable that future economic benefit associated with the assets will flow to the entity and the cost of the assets can be reliably measured.

PP&E are measured at a cost and revaluation model is applied when cost model is not applicable.

5) Property, Plant and Equipment Reserve

This reserve account is the corresponding account of Property Plant and Equipment.

6) Cash and Cash Equivalents

Cash & cash equivalents include local currency notes and coins in hand as at 31st December 2021.

7) Changes in Formats of Financial Statements & Adjustment of Comparative Figures

Relevant adjustments have been made to the comparative figures for the year 2020 in line with the changes made in the financial statements for the year 2021.
